Presidents Message

Happy New Year! Well, the New Year has arrived and I cannot help but hope that your New Year's evening was spent with family and friends. To begin, your board and I want to say thank you so very much for all your support and friendship during the past year.

In 2016 we increased our social activities so that everyone had the opportunity to spend time with our new members and really get to know one another outside our meeting times.

We had guests visit with us and we've gone to other locations worldwide with other clubs. It was a very busy year for Friendship Force Sarasota.

2017 will start out with our Global Arts Exchange in late January-early February, and will be so exciting for our club and an adventure for our new members to experience the many activities that have been planned.

I wish each of you a very healthy and enjoyable 2017 and look forward to seeing you at our January 5th meeting.

Thank you all again for your support to Friendship Force Sarasota, Barb and the board of directors.

Barb Hahn, 941-266-9802, barblhahn@gmail.com

Committee Reports

Membership- Peggy Hayden - This has been a great year for our membership...thanks to **YOU**, our members, who are recruiting others to join our organization. May we have continued success in the new year. Speaking of new year, we are **looking for a couple of new members in the new year to be on our Membership Committee**, 1- to attend our meetings and make our visitors feel welcome (if you have to miss a meeting it is not a problem - we keep this task doable for our busy members) and 2 - to help write bios on our members for our "Meet Our Members" column in our monthly newsletter (we have an outline for easy phone interviews - it's fun!). If you are interested in **servicing on the Membership Committee, contact Peggy Hayden at 941-306-5197 or hayden.peg@gmail.com.**

Meet Our Members

Elaine Cyr (2016) joined FF at the invitation of Judy and Bob Joyce. Elaine and Joyce met at Loveland where they both volunteer. Elaine's interest in Loveland goes back many years when her sister became a student there and her parents moved to Venice. That also influenced her decision to move here when she retired as she loved the area and its emphasis on the arts.

She grew up in CT and moved to RI after college. She had a degree in teaching art and worked in the jewelry profession throughout her career; the last 14 years of which she was a private contractor working as a jewelry sales representative for various companies. She retired to Venice 4 years ago. She has combined her interest in jewelry with volunteering at Loveland in a number of ways. First, she has done a jewelry fundraiser every March for Loveland. She collects donated jewelry that Loveland sells to raise funds for this excellent program here in Sarasota County. If you would be willing to donate old jewelry to support this worthy effort, you can contact Elaine at Elaine.cyr@comcast.net or 941-922-7480 or 941-275-3770. She also volunteers as a beading instructor at Loveland. Jewelry made by the students is sold at various clubs/venues in the Venice area. This volunteer job has morphed into her work now as a substitute teacher in which she teaches a variety of skills. She also makes jewelry as a hobby.

FF attracted her because of her interest in traveling, especially more authentic experiences. Of the many places she has visited, trips to Italy are particular favorites. Most recently, she spent the Thanksgiving holiday with 7 other friends on a rented catamaran in the British Virgin Islands. She is interested in getting involved in FF, especially through involvement in exchange activities and social activities, including home hosting, day hosting and dinner hosting and participating in outbound exchanges.

Curt and Toni Feldmann (2014) learned about FF from Peggy Hayden. They are trying to be semi-retired in Sarasota for most of the year. They spend the balance of their time in the beautiful Finger Lakes Region of Upstate New York. Also, they make frequent visits to family in California and North Carolina. They love traveling and most often go to Spanish-speaking countries, as Curt works to broaden his vocabulary and conversational skills. They have been frequent visitors to Mexico, and other Spanish-speaking countries in the Americas including Costa Rica, Colombia and Guatemala. The Colombia trip was a FF exchange. Recently, they enjoyed a trip to Spain, the result of which was Curt being sold on spending more time in Europe. So they participated in a FF exchange to Somerset, England, which they absolutely loved. Toni's avocation is screenplay writing, and loves to add exotic world locations to her experience base so she can "write what she knows".

They have been involved not only in outbound exchanges but also inbound activities including the recent "mini-exchange" arranged by Reeta Dean following her exchange with the FL Suncoast FF to Mexico when people she met on her Mexican exchange came to Sarasota for a visit. Also, several of our newest members have been recruited by Curt through his involvement in Spanish classes and Spanish meetup groups.

Elaine Gross Rosen (2016) joined FF after hearing about it from her friend and neighbor, Peggy Hayden. FF interested Elaine, because it presents an opportunity to meet people from other countries, including entertaining them here on inbound exchanges and the opportunity for outbound exchanges. She is a New Jersey native. In her career, she worked in retail, real estate and finance. She and her husband, Stanley, are snowbirders. They spend their summers in New Jersey and their winters here. They moved to Sarasota in 2007.

Elaine has many interests. She is a bridge player, painter, and knitter. She loves to cook and entertain. She also enjoys the arts, nature and traveling. Although she just joined FF in November, she is already signed up to do dinner hosting during the global exchange at the end of January. She is looking forward to meeting more of our members.

FF SRQ Exchanges – 2017

We have exchanges to think about for 2017. We are **going to Cornwall England and Isle of Wight, August 25 to Sept 6th**. You will hear more from the ED's for this exchange Marie Beck and Terri Holsinger. Watch your newsletter.

Our other exchange this year is an **INBOUND. Wellington New Zealand** will be coming **October 18-25**. I call this a regular exchange. Their club is coming to see Sarasota and so many of the wonderful things we have to offer, from beaches to many of the attractions that we regularly take our guests to.

The one thing I do **need** from you is someone who would **be interested in being the ED**. There are several in our club that will help. You do have a committee but someone needs to be in charge! I would love a volunteer! Call Barbara! We could talk about it to start with. If you look in the front of our directory, there are several pages of exchange inbound and outbound--all of them needed an ED!
