Presidents' Message

Last month we asked our members to help us increase our membership by presenting programs at local functions to inform them of the unique traveling experiences through Friendship Force exchanges. We are pleased that Bob & Judy Joyce, Bob O'Connor, Art Swenson and Dick Batt will be presenting a program at the Pinebrook South Community Men's club February 16. Gary & Lee Anderson also are looking into presenting a program at Bay Indies Mobile Home Park. We hope these efforts will yield new and enthusiastic members for our club. Let us know of other possible venues to spread the message of Friendship Force.

We are also grateful to Bob O'Connor and Don Nicholson for their efforts to create a fun program for our exchanges.

Through these and other efforts we will be able to continue being the best Friendship Force club in Florida.

Message from our Membership Chairpersons

Thanks to everyone for getting your renewals in so quickly. We have 90 paid up members. This is down about 10 from 2010. We all need to be talking more about Friendship Force to our friends and neighbors. Check with any organizations you belong to, church groups, homeowners' assoc. etc, and see if they are willing to have a speaker tell them about Friendship Force. We have a short video and people who are willing to tell them about FF and share their experiences. Bring a friend to the next meeting.

Gary and Lee Anderson, Membership Chairpersons
