President's Message

2015 is so quickly coming to a close. We have had a good and busy year. The November program looks so interesting and sorry I'll have to miss it because of a prior commitment (for 10 years now). I volunteer at a fund raiser in North Georgia to save the Hemlock trees. Mark your calendars and plan on hearing Phillip Price tell about his three weeks in the Galapagos Islands. Then, while you have your calendar out, put a reminder to attend the annual banquet on December 3, details in this newsletter.

There will be many opportunities to be involved in exchanges in 2016. Phillip Price is getting ready for a visit from Western North Carolina from Feb 25 - March 2. It is possible that Phillip could use some help. The stop-over by the Belgian Coast Club (March 14-17) is short and would be a great way to get involved. Reach out to Gary and Debbie Kuhns to see how you can help. Then in November, Cornwell members will be visiting us in Sarasota. Ramona will soon be gathering her committees to prepare for their visit.

I want to take this opportunity to thank each of you who have been a part of FFSRQ during my presidency in 2015. Your part in our organization helps make it the best in Florida.

Mary McClendon, President, marymc5936@verizon.net or (941) 923-3785

Thurs, November 5th meeting—Waldemere Fire Station, 7:00 pm. Not to be missed!

Our informative program for Thursday, November 5th will be presented to us by our own Phillip Price.

Phill is going to share with us his adventures and experiences from his trip to Equator this past February where he spent three weeks volunteering. He had a brief stint volunteering at a farm clearing weeds, and a week at a biodiversity station in the highlands of San Cristobal engaging in different types of work. Then the balance of his time was spent touring in the Galapagos; visiting five other islands and living on three of them. Depending on what source you rely on there are only four or five “inhabited” islands of the 15 islands that form the archipelago.

The PowerPoint presentation should prove to be very informative and I’m sure Phill will share more of his adventures with us. I look forward to seeing you Thursday evening.

FFI World Conference Sept 15-18, 2016 Marrakesh, Morocco

You read in last month's newsletter article by Ramona about the financial challenges facing Friendship Force International. Here is a way you can support FFI (especially with holidays approaching) at no cost to you.

AmazonSmile gives 0.5% of your purchase to the charity of your choosing. Not a lot, but with lots of folks doing this it could provide a fair amount to support to FFI. Sign in via <http://smile.amazon.com/> instead of just "amazon.com".

The first time you go to AmazonSmile, search for **Friendship Force International**, and then bookmark that page for the future. Then each time you purchase, FFI will benefit. Your wish lists, same low prices and Prime membership are unchanged and always there.

Exchanges - Inbound

Sun, Oct 25th-Fri, Oct 30th Inbound Exchange from Los Angeles, ED Barbara Peterson

The L.A. Exchange...is completed! We all had a marvelous time. The ambassadors couldn't say enough about their home hosts and the city of Sarasota. They were truly impressed. A huge **THANK YOU** to our home hosts and our day hosts; those that joined us on the LeBarge; at breakfast and for the farewell; those that had official dinner parties and unofficial dinner parties; those on the planning committee that got the ball rolling. It does that a village to have it all work. And it did work!

Thank you. Barbara Peterson, bandwpeterson@verizon.net
